CESSNA MOTORCYCLE CLUB

MEETING: Sunday November 8, 2026
Noon…..Quincy's B&G…..2047 N. West St…..Wichita, KS.

NOTICE TO ALL CLUB MEMBERS:
The club needs any and all of the membership that can attend the November and December club meeting to do so, as our current club officers have said they are not candidates for reelection. After continued conversations amongst club members who still attend monthly meetings, it has been determined that the Cessna Motorcycle Club has transitioned from an employee based club to a social club. As such, some of the club activities like regular Wednesday night rides have been discontinued due to lack of participation. As current club officers have said they will not be running for office, we need to make a determination at what level the club should continue to function. Since officer elections are usually held in December, your attendance or feedback via email is crucial. Please plan on attending both the November and December meetings if you at all can.
